

## Datasheet LC-85

### LC-85

### Description

This precious case convinces by its outstanding and compact design. Due to the new construction the power supply can be integrated vertically behind the case front in order to reduce noises coming up from the inside.

The integrated case fan in the rear and the grid in the side ensure an adequate cooling quality for all integrated components.

### Technical data

#### case:

- 2x 5,25" external drive bays
- 1x 3,5" internal drive bays
- Space for a 80mm fan in the rear
- Grid in the side for adequate cooling quality

**Disclaimer:** The images may differ from the original product. By this datasheet you are not able to lay claim to anything. The judge's decision is final. When using this data sheet you agree to these conditions.

# Datasheet LC-85

## **Logistical data**

- dimensions: 460mm (l) x 180mm (w) x 360mm (h)
- packing measures: 520mm (l) x 225mm (w) x 400mm (h)
- pieces/unit: 1
- weight/unit: 5.2 KG
- palette: 35 cardboards

## **Content of package**

- LC-85
- 3 years guarantee
